

## **Nkarta to Participate at Upcoming Investor Conference**

April 8, 2022

SOUTH SAN FRANCISCO, Calif., April 08, 2022 (GLOBE NEWSWIRE) -- Nkarta, Inc. (Nasdaq: NKTX), a biopharmaceutical company developing engineered natural killer (NK) cell therapies to treat cancer, today announced its participation at an upcoming investor conference:

### **21st Annual Needham Virtual Healthcare Conference**

April 12, 2022

4:30 p.m. ET – presentation

A simultaneous webcast of the event will be available on the Investors section of Nkarta's website, [www.nkartatx.com](http://www.nkartatx.com), and a replay will be archived on the website for approximately four weeks.

### **About Nkarta**

Nkarta is a clinical-stage biotechnology company advancing the development of allogeneic, off-the-shelf natural killer (NK) cell therapies for cancer patients. By combining its cell expansion and cryopreservation platform with proprietary cell engineering technologies and CRISPR-based genome engineering capabilities, Nkarta is building a pipeline of future cell therapies engineered for deep anti-tumor activity and intended for broad access in the outpatient treatment setting. For more information, please visit the company's website at [www.nkartatx.com](http://www.nkartatx.com).
